Joel Tiglao, Head of Environment, Health, Safety and Security.

PHILAM GROUP RECOGNIZED AS ONE OF THE PHILIPPINES' BEST COMPANIES TO WORK FOR IN ASIA

Philam Group, the country's premier life insurance company, continues to solidify its leadership in the insurance industry with another recognition—this time for exemplifying workplace excellence and employee engagement.

The Philam Group was recognized as one of the Philippines' Best Companies to Work For in Asia 2018 presented by HR Asia, Asia's most authoritative publication for senior HR professionals. This award is given to world-class corporations with high levels of employee

engagement, exemplary workplace culture, and people practices. Other factors that were also considered are employee satisfaction, and advancement and development opportunities.

Out of 150 organizations across various industries in the Philippines, the Philam Group was one of the 15 companies awarded.

The award was received by Philam Group Chief Executive Officer, Aibee Cantos, and Chief Human Resource Officer, Anna Villamor, during the HR Asia Philippines' Best Companies to Work For

in Asia Grand Awards Ceremony held at the Marriott Grand Ballroom.

"While we have received a number of awards in other areas of our business, this award gives us great satisfaction because this is about our people. This affirms that what we are doing is right and good for our people who deserve nothing less," said Cantos. "And this goes back to our customer-centric focus, because we know that the way we take care of our people is how they will take care of our customers," he added.

Philam Group Executives huddle with the prize.
